

This fantastic WiRE conference will take you on a journey through all the stages of business, from the first seeds of an idea, to businesses close to the top of their game. With inspirational speakers to illustrate every phrase plus new skills to learn and take back to truly invigorate your business.

**Be Inspired....**

**Where is my business now?**

New and medium sized business speakers will give you an insight into how to be successful at this formative stage of business.

**How can my business grow?**

Networking seminar and business seminar to give you the tools to go into overdrive.

**Where do I want my business to be?**

Motivational and big business speakers to help you set your sights high.

**Be Informed....**

**1) Speed Networking Session**

Lively session that will not let you gravitate towards those you already know, you'll have five minutes to talk to a potential contact, then decide if you want to follow up opportunities later.

**2) Think like an entrepreneur, think your way to success**

Are you enterprising, could you be an entrepreneur? You must decide what you want, why you want it and how you plan to achieve it. This seminar will help you focus your thoughts enabling you to set clear and achievable goals and overcome any of the fears and obstacles that may be standing in the way of starting or growing a business.

**Network....**

**Rural Marketplace on the road!**

This is the live version of the online WiRE Rural Marketplace, featuring the huge diversity of women in rural enterprise - imaginative, original and innovative.

You can network with and quiz these inspirational women, browse inspiring products and find expert solutions and services. In addition there will be business expert stands, from HSBC Card Services to local business providers and Business Link.

**Plus a fantastic locally sourced lunch and networking extravaganza.
